## Introductory Korean Language Course – Level 1

### 1. Introduction of Hanyang International Language Institute

Hanyang International Language Institute, established in March 1997, offers language education programs including English, Chinese and Japanese. Since The Korean Language Course was launched in April, 1997, many foreigners from various countries have been learning Korean language and culture through this institute. The institute's Korean Language course is a 10-weeks-intensive program designed to learn not only language but also culture. It includes a 20-hour per week language class and 8 hours of culture classes. With enthusiastic and experienced instructors, foreign students learn and practice speaking, listening, reading and writing skills in a well-equipped environment.
